<sup>2</sup> Amended by the Governing Board Decision No 41/2022 of 5 December 2022 amending the Joint Undertaking's Work Programme and Budget for the year 2022 (Work Programme and Budget Amendment No 5).

- (2) The Hosting Entity informed the EuroHPC Joint Undertaking about its intention to adjust the budgets allocated to acquisition costs and operating costs. The total costs of ownership remain the same as approved by the Governing Board Decision No 14/2023 of 15 June 2023.
- (3) In line with Article 17(2) of the JU Regulation, the share of Union's access time to each Mid-Range supercomputer shall be directly proportional to the financial contribution of the Union to the acquisition and operating costs of supercomputer and shall not exceed 35% of the total access time.
