Executive summary of the 12th meeting of the Research and Innovation Advisory Group of the European High Performance Computing (EuroHPC) Joint Undertaking

1st of July 2020, Videoconference

10:00 – 16:00

The 12th meeting of the EuroHPC Research & Innovation Advisory Group took place on 1st of July 2020. The meeting was held as a video conference.

An update of the EuroHPC JU's activities was presented to the attending members of the RIAG. The evaluation of proposals submitted in response to call H2020-JTI-EuroHPC-2019-1 has been completed and a ranked list of proposals retained for funding was presented to the EuroHPC JU Governing Board (GB). 19 proposals were selected for funding by the EuroHPC JU GB. Successful consortia are invited to prepare grant agreements with the EuroHPC JU. The RIAG was further informed about the current status of the JU's procurement activities.

The second part of the meeting was dedicated to the discussion of RIAG's contribution to the Multiannual Strategic Research and Innovation Agenda. The discussion was complemented by a presentation of the European GAIA-X project, an initiative to support data sovereignty in Europe.

The next RIAG meeting is planned for 21st of September.
