Title of function	Programme Assistant <u>(EuroHPC JU)</u>

1. WE ARE

The European High Performance Computing (HPC) Joint Undertaking (EuroHPC JU) was established by the Council Regulation of 2021/1173 of 13 July 2021 establishing EuroHPC JU and repealing the Council Regulation (EU) 2018/1488 of 28 September 2018. The mission of the Joint Undertaking is to develop, deploy, extend and maintain in the Union a world-leading federated, secure and hyper-connected supercomputing, quantum computing, service and data infrastructure ecosystem; to support the development and uptake of demand-oriented and user-driven innovative and competitive supercomputing systems based on a supply chain that will ensure components, technologies and knowledge limiting the risk of disruptions and the development of a wide range of applications optimised for these systems; and, to widen the use of that supercomputing infrastructure to a large number of public and private users, and support the twin transition and the development of key skills for European science and industry. The overall objectives of the Joint Undertaking are:

(a)

to contribute to the implementation of Regulation (EU) 2021/695 and in particular Article 3 thereof, to deliver scientific, economic, environmental, technological and societal impact from the Union's investments in research and innovation, so as to strengthen the scientific and technological bases of the Union, deliver on the Union strategic priorities and contribute to the realisation of Union objectives and policies, and to contribute to tackling global challenges, including the Sustainable Development Goals by following the

principles of the United Nations Agenda 2030 and the Paris Agreement adopted under the United Nations Framework Convention on Climate Change¹;

(b)

to develop close cooperation and ensure coordination with other European Partnerships, including through joint calls, as well as to seek synergies with relevant activities and programmes at Union, national, and regional level, in particular with those supporting the deployment of innovative solutions, education and regional development, where relevant;

(c)

to develop, deploy, extend and maintain in the Union an integrated, demand-oriented and user-driven hyper-connected world-class supercomputing and data infrastructure;

(d)

to federate the hyper-connected supercomputing and data infrastructure and interconnect it with the European data spaces and cloud ecosystem for providing computing and data services to a wide range of public and private users in Europe;

(e)

to promote scientific excellence and support the uptake and systematic use of research and innovation results generated in the Union;

(f)

to further develop and support a highly competitive and innovative supercomputing and data ecosystem broadly distributed in Europe contributing to the scientific and digital leadership of the Union, capable of autonomously producing computing technologies and architectures and their integration on leading computing systems, and advanced applications optimised for these systems;

(g)

to widen the use of supercomputing services and the development of key skills that European science and industry need.

Members of the Joint Undertaking are the European Union represented by the Commission, Member States and Associated Countries to the Framework Programme Horizon 2020, and the two private associations European Technology Platform for High-Performance Computing (ETP4HPC) Association and the Big Data Value Association (BDVA/DAIRO) and the European Quantum Industry Consortium (QUIC).

The EuroHPC Joint Undertaking is located in Luxembourg.

For further information, please consult the following website: <https://eurohpc-ju.europa.eu> or send your question to the Functional Mailbox recruitment@eurohpc-ju.europa.eu, quoting the post reference code EuroHPC/2023/01 and your family name.

- Organise missions and reimbursement requests for the JU's Programme Office – infrastructure sector,
- Manage and file documents as required.

Other

- Perform other tasks pertaining to EuroHPC JU's programme office, as required.

3. ELIGIBILITY CRITERIA

Candidates will be considered for the selection phase on the basis of the following formal criteria to be fulfilled by the deadline for applications:

- Be national of one of the Member States of the EU, Iceland, Lichtenstein or Norway and enjoy full rights as citizens.
- Have a post-secondary education attested by a diploma, or a secondary education attested by a diploma giving access to post-secondary education, and appropriate professional experience of at least three years².
- Produce evidence of a thorough knowledge of one of the languages of the European Union, preferably English, French or German, and a satisfactory knowledge of another language of the European Union to the extent necessary for the performance of his/her duties.

² Only diplomas and certificates that have been awarded in the EU member states or that are subject of equivalence certificates issued by authorities in the said Member States shall be taken into consideration.

- Produce the appropriate character references as to their suitability for the performance of duties of the post.³
- Have fulfilled any obligations imposed by applicable laws concerning military service.
- Be physically fit to perform the duties linked to the post.⁴

4. SELECTION CRITERIA

Candidates selected on the basis of the above eligibility criteria will then be evaluated according to the following selection criteria.

Successful candidates should have:

4.1. Essential qualifications and experience

- At least 3 years professional experience⁵ in positions related to the main functions and duties, in particular in public procurement,
- Experience in expert management, monitoring and reporting, ideally in the context of the European research programmes,
- Knowledge and understanding of EU procurement rules and contract management process as well as the requirement to keep an audit trail,
- Excellent command of Microsoft Office (Word, Excel, Power Point, Outlook),
- Excellent level of English, both written and spoken (C1 level or higher), including excellent drafting and proofreading skills.

Failure to comply with the eligibility and essential qualifications and experience will result in a disqualification of the candidate concerned.

4.2. Advantageous qualifications and experience

- Working experience in a field related to the duties in an international and multicultural environment, preferably within a European Institution or body,
- Experience with EU grants IT tools such as SYGMA, COMPASS and EMI,
- Experience with EU procurement IT tools such as eTendering, eNotices and PPMT,
- Proven professional experience in drafting of procurement documents such as contract notices, tender specifications etc.,
- Experience in organising meetings and events.

³ Prior to the appointment, the successful candidate will be asked to provide a certificate issued by the competent authority attesting the absence of any criminal record.

⁴ Before his/her appointment, the candidate shall be medically examined in line with the requirement of Article 12(2)(d) of the Conditions of employment of other servants of the European Communities.

⁵ Professional experience is counted only from the date the candidate acquired the minimum qualifications required for being eligible as provided in Section 3. Only duly documented professional activity (i.e. remunerated employment or self-employment) is taken into account.

4.3. Behavioural competencies

Candidates invited for an interview and written test will also be assessed against the following criteria, which are essential to the post:

- Excellent interpersonal skills with an ability to interact at all levels inside and outside the organisation,
- Ability to work under pressure and respect tight deadlines;
- Customer service orientation,
- High sense of responsibility, ability to deliver results and attention to detail,
- Excellent planning and organisational skills,
- Motivated, dynamic personality with strong aptitude for teamwork.

For each of the selection criteria listed above, candidates are invited to (briefly) explain in their motivation letter in which position, activities and responsibilities they acquired their skills.

5. INDEPENDENCE AND DECLARATION OF INTERESTS

The successful candidate will be required to make a declaration of commitment to act independently in the public interest and to make a declaration in relation to interests which might be considered prejudicial to his/her independence. Candidates must confirm their willingness to do so in their application.

6. SELECTION PROCEDURE

Applications must be complete and validly submitted by the closing date as specified in section 10. Applications that do not meet the above criteria will be rejected. If, at any stage in the procedure, it is established that the information of the application is incorrect, the applicant will be disqualified from the selection procedure.

A Selection Committee is nominated by the Appointing Authority of the EuroHPC JU. After the screening of the applications the Selection Committee will, basing itself on elements of the applications, draw up a shortlist of candidates to be invited for an interview and written test. After the interviews and written tests, the Selection Committee will establish a reserve list of suitable candidates. to be approved by the Executive Director.

- Applicants invited to an interview and written test will receive an email invitation, with the date, time and location of the interview and test;
- During the interview and written test, the Selection Committee will examine each candidate's profile and will assess their relevancy to the post against the criteria defined in Section 4, above. The minimum threshold to pass the interview and written test is 70% of the total points.
- The outcome of the written test will count for 40% of the final score and the interview for 60%.
- The interview and written test will be held in English.

Please note that only the candidates invited to the interview and written test will be contacted.

The Executive Director of the EuroHPC JU may decide to interview the candidates before establishment of the reserve list and/or appointment.

7. APPOINTMENT AND RESERVE LIST

The Executive Director will select from the reserve list the successful candidate and offer the post.

A binding commitment can only be made after the verification of all conditions and will take the form of a contract signed by the Executive Director.

Supporting documents (e.g. certified copies of degrees/diplomas, references, proof of experience etc.) should not be sent at this stage but must be submitted at a later stage of the procedure if requested. EuroHPC JU has the right to disqualify applicants who fail to submit all the required documents.

A reserve list may be created and used for recruitment, which may be used in order to fulfil similar vacancies at the EuroHPC JU. It will be valid until 31 December 2023 and may be extended at the discretion of the Appointing Authority of the EuroHPC JU.

Candidates should note that inclusion on the reserve list does not guarantee recruitment. Recruitment will be based on availability of posts and budget.

Candidates are reminded that the selection committees' work is confidential. It is forbidden for candidates to make direct or indirect contact with their members or to ask anybody else to do so on their behalf.

8. EQUAL OPPORTUNITIES

The EuroHPC JU, as a Union body, applies a policy of equal opportunities and non-discrimination in accordance with Article 1d of the Staff Regulations⁶.

9. CONDITIONS OF EMPLOYMENT

The successful candidate will be appointed by the Executive Director of the EuroHPC JU as a contract agent, pursuant to article 3a) of the Conditions of Employment of Other Servants of the European Union for an initial period of three years.

Subject to budget availability, after an evaluation of the post holder's performance and the needs of the service the contract may be renewed not more than once for a fixed period. Any further renewal will be for an indefinite period.⁷ The period of engagement will not in any case exceed the lifetime of the EuroHPC JU.

Applicants should note the requirement under the EU staff regulations for all new staff to successfully complete a probationary period of nine months.

The appointment will be in **Function Group III**. The classification in the grade will be done in accordance with EuroHPC's general implementing provisions on conditions of employment of contract staff⁸ and will depend on the assessment of the qualification and professional experience of the selected candidate.

⁷ In line with provisions of art. 85 of the Conditions of employment of other servants of the European Union

⁸ Decision of the Governing Board of the EuroHPC Joint Undertaking No 24/2019 of 13 November 2019 on the General provisions for implementing Article 79(2) of the Conditions of employment of other servants of the European Union, governing the Conditions of employment of contract staff employed under the terms of Article 3a, as adopted by the Decision of the Governing Board of the EuroHPC Joint Undertaking No 17/2021.

Remuneration will be based on the Union scale of salaries. Pay is subject to Union tax and other deductions laid down in the Staff Regulations. Remuneration is, however, exempt from any national taxation.

The pay of staff members consists of a basic salary supplemented with specific allowances, including expatriation or family allowances. The provisions guiding the calculation of these allowances can be consulted in the Conditions of Employment of Other Servants available at the following address:

<http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=CONSLEG:1962R0031:20140101:EN:PDF>

The place of employment is Luxembourg, where the EuroHPC JU premises are located.

10. APPLICATION PROCEDURE

Candidates must apply through the EU CV Online system via this link:

[EU CV online](#)

Before applying, candidates should carefully check whether they meet all the eligibility criteria.

To be able to apply online via the EU CV online database, candidates must first create an account or sign into an existing account. If not done already, candidates must first fill in the electronic CV, write the motivation letter and apply to the call for expressions of interest.

Applications shall be made in English to be considered.

It is the sole responsibility of each applicant to complete ALL relevant fields of his/her online application and to submit it before the deadline for submission.

All technical questions concerning EU CV online must be sent through the Contact page of EU CV online.

It is strongly advised not to wait until the last few days before the deadline for applying, since heavy internet traffic or connection difficulties could lead to problems.

Once the deadline has passed, candidates will no longer be able to register.

No supporting documents are required at this stage – these will be required at a later stage.

On completion of the online registration, candidates will receive on screen a registration number, which they must note. This will be the reference number of the candidate in all matters concerning his/her application. If the candidate does not receive a number, the application has not been registered.

After a correct submission of an application, candidates will receive an automated acknowledgement of receipt of their application to the email account indicated in their application. It is the candidate's responsibility to verify that he/she provided the correct e-mail address.

Candidates are invited to indicate any special arrangements that may be required if invited to attend the interview and written test.

If the candidate requires more information, he/she will have to send an e-mail to recruitment@eurohpc-ju.europa.eu

CLOSING DATE

Applications must be submitted via the EU CV online **no later than 23.45 (CET Luxembourg time) on 26 February 2023.**

The closing date may be prolonged.

11. REVIEW AND APPEAL PROCEDURE

A candidate who feels that he/she has been treated incorrectly may ask to have his/her application reconsidered by sending, within 20 calendar days of the date of notification, a request for review via email to: recruitment@eurohpc-ju.europa.eu. The candidate should quote the number of the selection procedure concerned and address the request to the Chairman of the Selection Committee.

The Selection Committee will reconsider the application and notify the candidate of its decision within 45 calendar days of receipt of the request.

If the candidate considers that he/she has been adversely affected by a particular decision, he/she can lodge a complaint under Article 90(2) of the Staff Regulations of Officials of the European Communities and the Conditions of employment of other servants of the European Communities (CEOS), at the following address:

Executive Director

European High Performance Computing Joint Undertaking (EuroHPC JU)

Drosbach building – Wing E

12E rue Guillaume Kroll

L-2920 Luxembourg

The complaint must be lodged within 3 months counting from the notification of the decision you wish to contest.

If the complaint is rejected the candidate may bring a case under Article 270 of the Treaty on the functioning of the European Union and Article 91 of the Staff Regulations and the CEOS before the European Union Civil Service Tribunal .

The Appointing Authority does not have the power to amend the assessment decisions of the Selection Committee. The Court has consistently held that the wide discretion enjoyed by Selection Committees is not subject to review by the Court unless rules which govern the proceedings of the Selection Committee have been infringed.

It is also possible to complain to the European Ombudsman:

European Ombudsman

1 avenue du Président Robert Schuman - BP 403

F-67001 Strasbourg Cedex

Complaints made to the Ombudsman have no suspense effect on the period laid down in the Articles 90(2) and 91 of the Staff Regulations for lodging, respectively, a complaint or an appeal with the European Union Civil Service Tribunal under Article 270 of the Treaty.

12. PROTECTION OF PERSONAL DATA

The EuroHPC JU will ensure the candidates' personal data is processed as required by Regulation (EC) No 2018/1725 of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal

data by the Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing Regulation (EC) No 45/2001 and Decision No 1247/2002/EC. This applies in particular to the confidentiality and security of such data (Official Journal of the European Community L295 of 21.11.2018). Please note that EuroHPC JU will not return applications to applicants.

For more explanations on data protection, please see the annexed privacy statement.

1. Introduction

The EuroHPC Joint Undertaking is committed to protect your personal data and to respect your privacy. The EuroHPC JU collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data (repealing Regulation (EC) No 45/2001)⁹.

This privacy statement explains the reason for the processing of your personal data, the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

This statement concerns data processed regarding the recruitment of personnel for the EuroHPC Joint Undertaking. The data will be processed by the EuroHPC Joint Undertaking, under the conditions laid down in this privacy statement.

2. Why and how do we process your personal data?

Purposes of the processing operation: Data are processed for the purpose of organising the selection and recruitment for temporary agents, contract agents, seconded national experts and trainees for the EuroHPC Joint Undertaking; they are only disclosed to the staff of the Joint Undertaking involved in the selection procedures and/or recruitment and those who manage reserve lists.

The data will, under no circumstances, be used for commercial purposes, including for direct marketing purposes. We review our data collection, storage and processing practices to ensure that we only collect, store and process the personal information needed to provide or improve our services or for the purposes set out above.

⁹ OJ L 295, 21.11.2018, p. 39–98

Your personal data will not be used for an automated decision-making including profiling.

3. On what legal ground(s) do we process your personal data

The processing operations of personal data for the purposes described above, are necessary and lawful for the performance of a task carried out in the public interest (Article 5(1)(a) of Regulation 2018/1725), namely to fulfil the tasks of the EuroHPC Joint Undertaking as defined in its establishing Regulation¹⁰.

Legal basis:

- Council Regulation of 2021/1173 of 13 July 2021 establishing EuroHPC JU and repealing the Council Regulation (EU) 2018/1488 of 28 September 2018, in particular Article 20 thereof,
- The Statutes annexed to the Council Regulation (EU) 2021/1173 establishing the European High Performance Computing Joint Undertaking,
- The Staff Regulations of Officials and the Conditions of Employment of Other Servants of the European Union laid down in Council Regulation (EEC, Euratom, ECSC) No 259/68 (1) ('Staff Regulations' and 'Conditions of Employment') and the rules adopted jointly by the institutions of the Union for the purpose of applying the Staff Regulations and Conditions of Employment.

In addition, as the data provided in the selection and recruitment procedures are provided on voluntary basis by candidates themselves, the data subject gives an explicit consent for their processing, which constitutes a complimentary ground for lawfulness of data processing.

4. Which personal data do we collect and further process?

The data of candidates registered for the selection.

- Identification details – information provided by the candidate to allow themselves to be identified and contacted by the EuroHPC Joint Undertaking or the Commission (e.g. surname, first name, date of birth, gender, address, email address);
- Selection criteria information – information provided by the candidate to distinguish their suitability and eligibility for the post advertised (e.g. nationality, education history, training and professional experience, including name and address of the employer) languages spoken, skills and competences, technical and non-technical skills relevant to the position, motivation, strengths and achievements, commitments from the candidate to adhere to any security checks, other related details);
- Information provided by the candidate to support claims for the reimbursement of travel costs for interview and written test or medical visits (e.g. passport details, bank account details) and documents to support other claims to which the candidates may be entitled to during the selection and recruitment process;
- Results of the pre-selection checks and/or interviews and tests.

Candidates are free to give their data on voluntary basis, although failure to respond with any further information requested will exclude the candidate automatically from the recruitment procedure.

¹⁰ OJ L 256, 19.7.2021, p. 3–51

5. How long do we keep your personal data?

The EuroHPC Joint Undertaking will store the applications for varying amounts of time depending on the outcome of each application:

Candidates eliminated during the selection: data are stored for five years after the conclusion of the selection.

Non-recruited applicants included on a Reserve List: the five -year retention period of data applies from the starting date of the expiry of the Reserve List. The validity of Reserve List is in general initially one year and depends on the Vacancy Notice (please refer to it on a case –by –case basis).

After the allotted timeframe for retention of personal data has elapsed, EuroHPC Joint Undertaking may need to keep certain information for statistical purposes. In this case, any data permitting the identification of the candidate will be anonymised according to Article 13 of Regulation (EU) 2018/1725.

6. How do we protect and safeguard your data?

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored on the EuroHPC JU servers.

All processing operations are carried out pursuant to the Regulation (EU) 2018/1725 and best industry standards.

In order to protect your personal data, the EuroHPC JU has put in place a number of technical and organisational measures in place. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

7. Who has access to your personal data and to whom is it disclosed?

All personal data provided by you can be accessed on a need to know basis by the staff of the EuroHPC Joint Undertaking. These include:

- Human Resources Officers/Assistants in charge of selection
- Members and Secretary of the Selection Committee
- Executive Director and the Deputy Executive Director of the Joint Undertaking
- Head of Unit and Head of Sector (personal data of candidates included in the reserve list)
- Finance Officers (for reimbursement purposes)

The information we collect will not be given to any third party, except to the extent and for the purpose we may be required to do so by law.

8. What are your rights and how can you exercise them?

You have specific rights as a ‘data subject’ under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing of your personal data, which is lawfully carried out pursuant to Article 5(1)(a) or the right to data portability.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given under Heading 9 below.

9. Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller:
