1st Meeting of the New Infrastructure Advisory Group (INFRAG)

Wednesday 29 May 2024

10:30 – 11:30 CEST

Executive Summary

The 1st meeting of the EuroHPC new Infrastructure Advisory Group (INFRAG) took place on 29th of May 2024 online.

The meeting started with a welcome from the ED of EuroHPC JU and the adoption of the agenda.

During the meeting several issues related to INFRAG new Chair and Vice-Chair election procedures were discussed. Additionally, the EuroHPC JU regulation definitions related to advisory groups were presented to the group.

The workflow of MASP update was also introduced. The best practices and state of the art activities of previous INFRAG were also presented to the new INFRAG group.

Finally, the date of the upcoming meeting to elect the new INFRAG Chair and vice-chair was decided.
