The 1st meeting of the EuroHPC Research & Innovation Advisory Group (RIAG) was held on 4th of May 2022. The meeting was organised as a hybrid meeting with most participants attending in person and some RIAG members and observers connected remotely.

The RIAG was informed by the Executive Director about their role and responsibilities in the EuroHPC JU. Central to this first constituting meeting of the RIAG was the election of the Chair and Vice-Chair. Jean-Philippe Nomine and Thomas Lippert have been elected by the members of the RIAG as Chair and Vice-Chair, respectively.

The RIAG discussed the next steps and the most urgent upcoming tasks.
