Groups (INFRAG & RIAG)**

**Wednesday 23 October 2024**

**14:00 – 18:30**

**Venue: Amsterdam, SURF premises**

Executive Summary

The 3rd meeting of the EuroHPC Infrastructure Advisory Group (INFRAG) and Research and Innovation Group (RIAG) took place on 23<sup>rd</sup> October 2024 in Amsterdam, in person, in conjunction to the UserDays 2024 event.

The first part of the meeting started with the adoption of the agenda and some discussions on the MASP without the presence of EuroHPC JU.

After EuroHPC JU joined, the meeting continued with a welcome from the ED of EuroHPC JU and presentations of the state of the art by the Infrastructure and Research and Innovation Heads of Sector. They also presented the state of the play of the Work Programme 2024.

The rest of the meeting was dedicated to the update of the MASP. The different thematical working groups of the Advisory Groups presented their work in progress and the future plans to finalise the update of the MASP 2024 to be presented to the Governing Board in February 2025.

Prior to this meeting the leaders of the Advisory groups thematic working groups met with the EuroHPC JU User Forum Coordination Group.
