

EUROPEAN HIGH PERFORMANCE COMPUTING  
JOINT UNDERTAKING

**2nd Meeting of the Infrastructure Advisory Group (INFRAG)**

**Tuesday 2 July 2024**

**13:00 – 18:30**

**Venue: Luxembourg, Euroforum building**

Executive Summary

The 2nd meeting of the EuroHPC new Infrastructure Advisory Group (INFRAG) took place on 2<sup>nd</sup> July 2024 in Luxembourg, in person.

The meeting started with a welcome from the ED of EuroHPC JU and the adoption of the agenda.

The election of the new Chair and Vice-chair was held by separate ballots. The mandates are valid for 2 years. Following this, the representatives of the European Commission gave an introductory presentation about AI factories which then followed with a Q&A session.

The meeting continued with presentation of the activities of the EuroHPC JU infrastructure sector by the Head of the Sector. The next item was the hand-over of the INFRAG activities by the previous INFRAG Chair.

The last item of the meeting was the presentation of the EuroHPC JU User Forum and discussion of the next steps related to it.
