

EUROPEAN HIGH PERFORMANCE COMPUTING JOINT UNDERTAKING

Summary of the 3rd meeting of the Infrastructure Advisory Group (INFRAG) of the European High Performance Computing (EuroHPC) Joint Undertaking 8 February 2019

Executive Summary

The third meeting of the EuroHPC Infrastructure Advisory Group (INFRAG) took place on 8 February 2019 in Brussels.

The group reflected on the work performed so far, and clarified the relationship and the expectations with the EuroHPC JU and the Governing Board. The group discussed on the future INFRAG directions and agreed to emphasise on a broad scope of infrastructure related aspects. The group agreed to setup a number of topical subgroups that they will focus on specific aspects of INFRAG's work.

The INFRAG elected Claus-Axel Muller as INFRAG Chair and Sinead Ryan as INFRAG Vice-chair.

The INFRAG will organise an open session in the upcoming EuroHPC Summit Week in Poznan, on 13 May 2019. The session will give the opportunity to present its work to the public and interact with European HPC user communities.

Two meetings were scheduled, one via videoconference on 1 March 2019 and a face-to-face meeting on 20 March 2019 in Brussels.
