

EUROPEAN HIGH PERFORMANCE COMPUTING
JOINT UNDERTAKING

The interim Executive Director

**Executive summary of the 9th meeting of the Infrastructure Advisory Group of the
European High Performance Computing (EuroHPC) Joint Undertaking**

Monday 21, October 2019, Brussels

Executive Summary

The 9th meeting of the EuroHPC Infrastructure Advisory Group (INFRAG) took place in Brussels on 21st October 2019. It was co-located with the EuroHPC Access Policy workshop. This was a short, half-day meeting with the main purpose to discuss the results and the major take-away points of the workshop that preceded in the morning. The discussion of both the open workshop and the closed meeting that followed, will be used to produce the final version of the Access Policy document to be delivered as a proposal to the EuroHPC JU Governing Board.

Other topics discussed were the progress of the Industrial Users Working Group, the preparation for the EuroHPC Summit Week 2020, the finalisation of the EuroHPC vision paper (together with RIAG) and a potential collaboration with the PRACE-6IP WP5 team working on the Market Watch deliverable.

The next INFRAG meeting will be organised in Barcelona beginning of February 2020.
