Executive summary of the 6th meeting of the Research and Innovation Advisory Group of the European High Performance Computing (EuroHPC) Joint Undertaking

Thursday, 10th of October 2019, Brussels

10:00 – 16:00

The 6th meeting of the EuroHPC Research & Innovation Advisory Group took place on 10th of October 2019 in Brussels. The main points of discussion of the meeting were the preparation of the EuroHPC 2020 Work Program and the finalisation of the vision paper of the European HPC strategy. The group brainstormed on the priorities of Research & Innovation pillar for 2020 and agreed to provide a consolidated input to the EuroHPC Governing Board until end of October. For what concerns the vision paper, this is currently being integrated with the input provided by the Infrastructure Advisory Group and will also be finalised by end of October. Both topics will be presented in the EuroHPC GB meeting on November 12-13 in which the chairs of RIAG have been invited to participated. The next RIAG meeting will take place in Munich on 12 December 2019.
